The Mid-Illinois Medical District Commission Meeting Attendance Policy

When a quorum of the Commissioners of the Mid-Illinois Medical District is physically present as required in Section 2.01 of the Illinois Open Meetings Act, a majority of the commissioners may allow a commissioner to attend the meeting by other means if he/she is prevented from physically attending due to: 1) personal illness or disability; 2) employment purposes or the business of the commission; or 3) a family or other emergency. "Other means" is by video or audio conference.

If a commissioner wishes to attend a meeting by other means, the commissioner must notify the secretary of the commission before the meeting unless advance notice is impractical.
